

The Apothecary's Shop

£11.50 including p&lp

This is a Stumpwork Kit which uses Needlelace techniques. An old fashioned Apothecary's shop with bow fronted window showing Apothecary bottles and a half window curtain on a pole. There are paned windows and window boxes with brightly coloured flowers. French Knot bushes frame the shop. All the pieces are made separately then stitched onto a background. Other materials are also used and these are included in the kit. The shop is approximately 5 inches.

Kit including all materials except threads.

Yeoman of the Guard

£11.50 including p&lp

This is a Stumpwork figure dressed in the traditional "Yeoman of the Guard" costume. The background has a portcullis gate painted onto the calico background with coloured pencils. The red, black and yellow costume has tiny medals and gold embroidered buckle. He has a ruff at his neck and a black boater style hat. He is also carrying a staff. These guards can still be seen today at the Tower of London and also on special ceremonial occasions in London. The figure measures approximately three inches.
